

The time for Missouri Assessment Program (MAP) test administration is quickly drawing near. We'd like to make you aware of a helpful tool that may help explain the MAP to parents in a straightforward manner. The document is entitled "A Parent's Guide to the MAP."

Anyone wishing to download the document may do so by linking to the DESE website ([www.dese.mo.gov/divimprove/assess](http://www.dese.mo.gov/divimprove/assess)) and clicking on Publications, then "Parent's Guide to the MAP" for a printable copy. You may also access the Practical Parenting Partnerships website ([www.pppctr.org](http://www.pppctr.org)) and click on the "Parent's Guide to the MAP" prompt. A **Spanish translation** of the "Parent's Guide to the MAP" is available on this site as well. For hard copies of "A Parent's Guide to the MAP" please contact the PPP Center at (573) 761-7770.
